General Lee.

General Lee was in the cars going to Richmond one day, and was seated at the end furthest from the door. The other seats were filled with officers and soldiers. An old woman, poorly dressed, entered at one of the stations, and finding no seat and none having been offered her, approached the end where the General was seated. He immediately rose and gave her his seat. Instantly there was a general rising, each one offering his seat to the General. But he calmly said: "No, gentlemen; if there was no seat for the infirm old woman, there can be none for me." The effect was remarkable. One after another got out of the car, and the General and the old lady soon had the car to themselves.—Baltimore Herald.

Dying of Famine

is, in its torments, like dying of consumption. The progress of consumption, from the beginning to the very end, is a long torture, both to victim and friends. "When I had consumption in its first stage," writes Wm. Myers, of Clearfoss, Md., "after trying different medicines and a good doctor, in vain, I at last took Dr. King's New Discovery, which quickly and perfectly cured me." Prompt relief and sure cure for coughs, colds, sore throat, bronchitis, etc. Positively prevents pneumonia. Guaranteed at McMaster Co.'s, Obeur Drug Co.'s and John H. McMaster & Co.'s drug stores, price 50c. and \$1.00 a bottle. Trial bottle free.

Timely Advice.

Young man, just from college, just out of school, we love you. In your future of the country depends. We want to say to you kindly that you are not doing your full duty unless you do something during your vacation. Get some kind of a job, be it ever so menial just so it is respectable—and the pay ever so small. No man does his whole duty until he produces somethings. We do not admire a skinflint, but we have no respect whatever for a loafer. There are some mighty fine boys around Gaffney who are going to develop into good men, but unless they learn to work they will not develop into good men as they should.—Gaffney Ledger.

A Bad Sores.

Some day you will get a bad sore, when you feel a pain in your bowels, and fear appendicitis. Safety lies in Dr. King's New Life Pills, a sure cure, for all bowel and stomach diseases, such as headache, biliousness, constipation, etc. Guaranteed at McMaster Co.'s, Obeur Drug Co.'s and John H. McMaster & Co.'s drug stores; only 25c. Try them.

Surveying Catawba Falls.

A party of engineers struck camp at the Catawba falls Monday and began work yesterday, making a survey of the water-power. Dr. Gill Wylie and Mr. Duke spent several days at the falls the past week. They are largely interested in the property and the rumor is that they will begin its development at once. The present survey, it is understood, is for the purpose of locating the dam.—Lancaster Ledger, June 21.

Interesting to Asthma Sufferers.

"I have had asthma for three or four years and have tried about all the cough and asthma cures in the market," says Daniel Bantz, of Otterville, Iowa, "and have received treatment from physicians in New York and other cities, but got very little benefit until I tried Foley's Honey and Tar, which gave me immediate relief and I will never be without it in my house. I sincerely recommend it to all." Sold by McMaster Co.

The selfish man wants the streams of good in life to all pour inward. He is the dead sea of humanity. His capacity is great only for receiving. He gives only to get again with interest. He lives for himself and dies for the devil.—Ex.

Bonner's First Ad.

When James Gordon Bennett the elder was editor of the New York Herald Robert Bonner, publisher of the Ledger, was struggling to build up its circulation and decided to try a little advertising. He wrote an announcement consisting of eight words, "Read Mrs. Southworth's New Story In Ledger," and sent it to the Herald marked for "one line." Mr. Bonner's handwriting was so bad that the words were read in the Herald office as "one page." Accordingly, says Modern Advertising, the line was set up and repeated so as to occupy one entire page. Mr. Bonner was thunderstruck the next morning. He had not to his name money enough in the bank to pay the bill. He rushed excitedly over to the Herald office, but was too late to do any good.

In a short time the results of the page announcement began to be felt. Orders for the Ledger poured in until the entire edition was exhausted and another one was printed. The success of the Ledger was then established. Ever after that time Mr. Bonner was an ardent believer in advertising and a liberal purchaser of space.

Found a Cure for Dyspepsia.]

Mrs. S. Lindsay, of Fort William, Ontario, Canada, who has suffered quite a number of years from dyspepsia and great pains in the stomach, was advised by her druggist to take Chamberlain's Stomach and Liver Tablets. She did so and says, "I find that they have done me a great deal of good. I have never had any suffering since I began using them." If troubled with dyspepsia or indigestion why not take these Tablets, get well and stay well? For sale by Obeur Drug Co.

The Real Question.

The Newberry Observer states it this way: "Dispensary or no dispensary. Whether it's noble in the grand old state of South Carolina to debauch her citizens with mean liquor and corrupt the foundation of government with the evils incident to the 'Great Moral Institution,' or by the vetoes of her citizens to close up her dramshops and thus to end them—that's the question."

Warning.

If you have kidney or bladder trouble and do not use Foley's Kidney Cure, you will have only yourself to blame for results, as it positively cures all forms of kidney and bladder diseases. Sold by McMaster Co.

A Living Monument.

If we were to assemble all those who have been cured of heart disease by Dr. Miles' Heart Cure, and who would to-day be in their graves had not Dr. Miles' been successful in perfecting this wonderful heart specific, they would populate a large city.

What a remarkable record—a breathing, thinking, moving monument, composed of human lives,—that for which every other earthly possession is sacrificed.

The Miles Medical Co. receive thousands of letters from these people like the following:

"I feel indebted to the Dr. Miles' Heart Cure for my life. I desire to call the attention of others suffering as I did to this remarkable remedy for the heart. For a long time I had suffered from shortness of breath after any little exertion, palpitation of the heart, and at times terrible pain in the region of the heart, so serious that I feared that I would some time drop dead upon the street. One day I read one of your circulars, and immediately went to my druggist and purchased two bottles of the Heart Cure, and took it according to directions, with the result that I am entirely cured. Since then I never miss an opportunity to recommend this remedy to my friends who have heart trouble. In fact I am a traveling advertisement for I am widely known in this locality."

A Name Worth \$5,000 a Day

In 1889 P. T. Barnum, the great showman, journeyed to the Pacific coast to visit a relative. On his way back east he stopped at Kansas City to see the great Barnum & Bailey show. To the editors of the local dailies who called upon him Mr. Barnum said: "Gentlemen, Mr. Bailey tells me that my presence at the performances of the Barnum & Bailey circus is worth \$5,000 a day to the show. If this is true it is my name that is so valuable. It is known in every town, city and hamlet; it has become a household word throughout the country."

"Now, gentlemen, all of this was done by newspapers, and if advertising can make a name worth \$5,000 a day what is it that advertising can't do?"

You lose much of the value of your business reputation if you do not keep your name constantly before the public in our columns.
